Dear Randy:

I would like to take this opportunity to thank you and ABC Telecom for once again providing excellent advice in selecting both the right telecom systems and voice and data services for The Park Central Hotel, The Hotel and our corporate offices of Goldman Properties.

We especially appreciate the negotiating you did on our behalf with Paetec to secure us tremendous savings while increasing our Internet speed. We are looking forward to having Fiber Metro E service in all our locations.

Please feel free to have any interested clients call me, so I can let them know how pleased we are with your company.

I look forward to continuing our almost 20 year mutually rewarding relationship.

Thank you again.

Sincerely yours,

Marlo Courtney
