Dear Randy,

I wanted to let you know how pleased we are with ABC Telecom. In the past 25+ years you have serviced our bank and all branches in a very professional manner. Your techs were always knowledgeable and prepared for any issue. ABC has always selected the top vendors for equipment at our locations, and continues to come up with new and innovative ideas for our telecom needs.

Having personally known Randy for over 20 years, I highly recommend him and the team at ABC Telecom for your communication needs.

Very truly yours,
